To give you the right Tour/Adventure to fit the ADVENTURE you can't wait to ENJOY!!

Cairns' premier beach destination. Nestled between the Great Dividing Range and the Great Barrier Reef, Palm Cove is the ultimate location for your tropical beach side getaway. Palm Cove is only 25 minutes drive north of Cairns, highlighted by the magnificent 500+ year old Melaleuca Trees which line the entire length of the beach. Not only is there a great range of resort style shopping and a fine collection of restaurants and bars, but Palm Cove also offers all the conveniences and necessities required to make your stay as comfortable as possible. Palm Cove is an ideal stepping-stone to the Great Barrier Reef with cruise boats departing the Palm Cove Fishing Jetty daily, and is also readily accessible to the great range of daily tours and activities the region has to offer.
